ATTENTION:

Fcc Chairman, Michael K. Powell:

Please do not give our freedom of information away. Do not
take away from the citizens of this country our right to hear and
see information that is not tainted or influenced by limited
owners of the media....

Why do the big money boys feel they have the right to take away
from us average citizens a freedom to have access to
knowledge not censored by their biased control.

As a citizen of the United States I do not want to live in an
OLIGARCHY.

PLEASE, PLEASE DO NOT MAKE ME..... AND MY FELLOW
CITIZENS PRISONERS OF THE THOSE WHO HAVE THE
MONEY TO BUY MY FREE ACCESS TO UNBIASED
INFORMATION.
